

HEGAZ

STYLE

SELECTED  
PROJECTS  
2000-2020

## BRIEF HISTORY

Founded in 1985, Hegaz Style has been a key contributor to the wooden furnishings industry in Egypt with a long history of satisfying a variety of huge customers in different sectors including hotels, banks, governmental institutes, and shops. The team works together to craft high end furniture and furnishings by using top quality natural wood, paint, and accessories imported from top suppliers all over the globe to deliver the finest and most sustainable products for our customers.
